

Manakin à front blanc

Lepidothrix serena

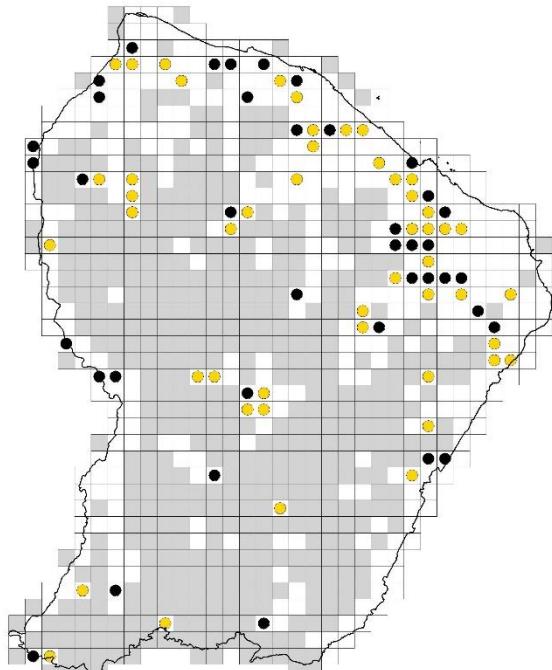

Maille(s) validée(s) (total=114, soit 12%)

- nidification certaine (4)
- nidification probable (68)
- pas d'information (42)

Manakin à gorge blanche

Corapipo gutturalis

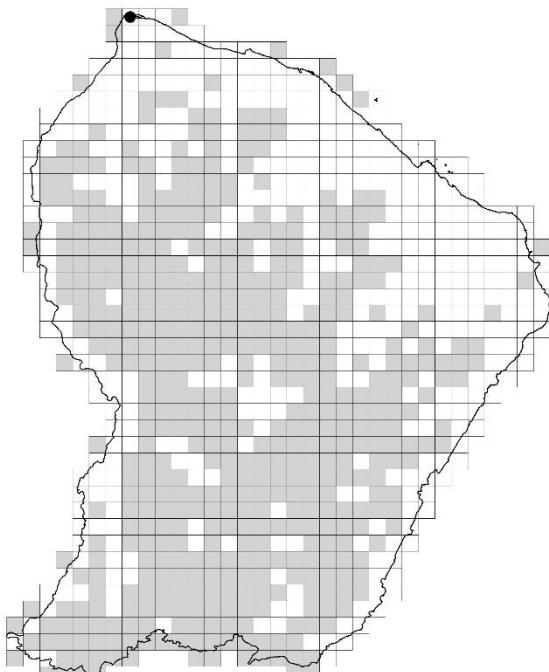

Maille(s) validée(s) (total=88, soit 9%)

- nidification certaine (0)
- nidification probable (49)
- pas d'information (39)

Manakin à panache doré

Neopelma chrysocephalum

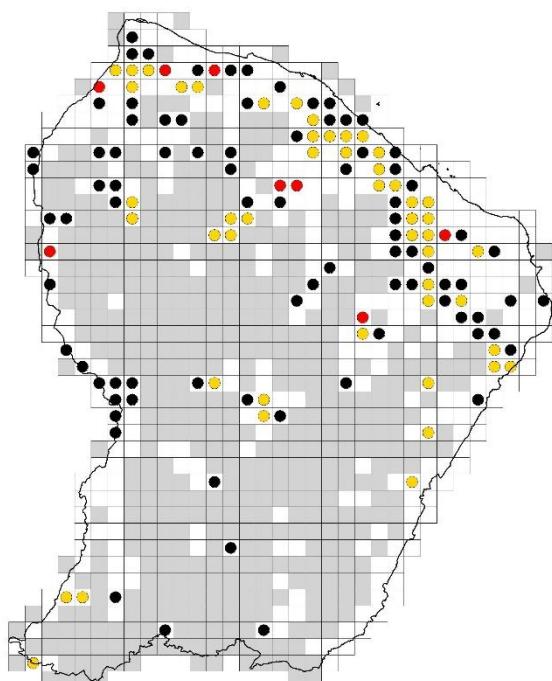

Maille(s) validée(s) (total=1, soit 0%)

- nidification certaine (0)
- nidification probable (0)
- pas d'information (1)

Manakin à tête blanche

Pseudopipra pipra

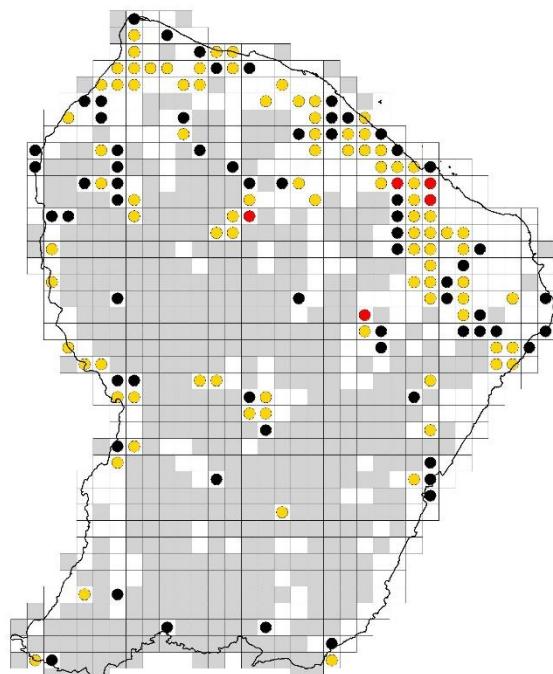

Maille(s) validée(s) (total=140, soit 15%)

- nidification certaine (8)
- nidification probable (49)
- pas d'information (83)

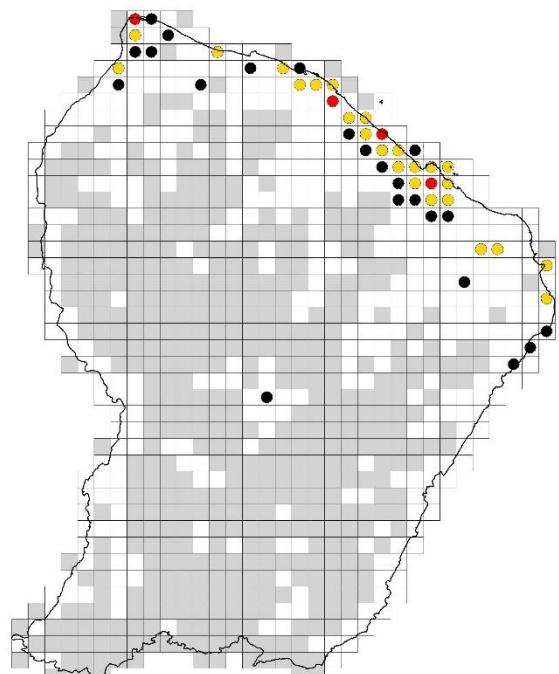

Manakin à tête d'or

Ceratopipra erythrocephala

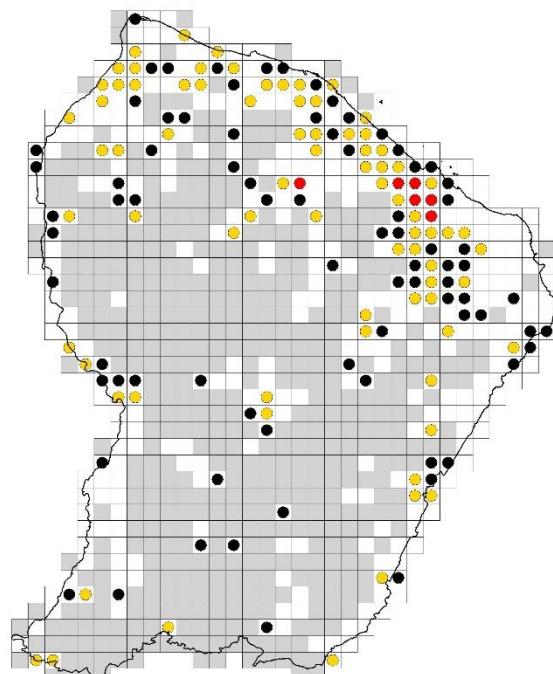

Manakin auréole

Pipra aureola

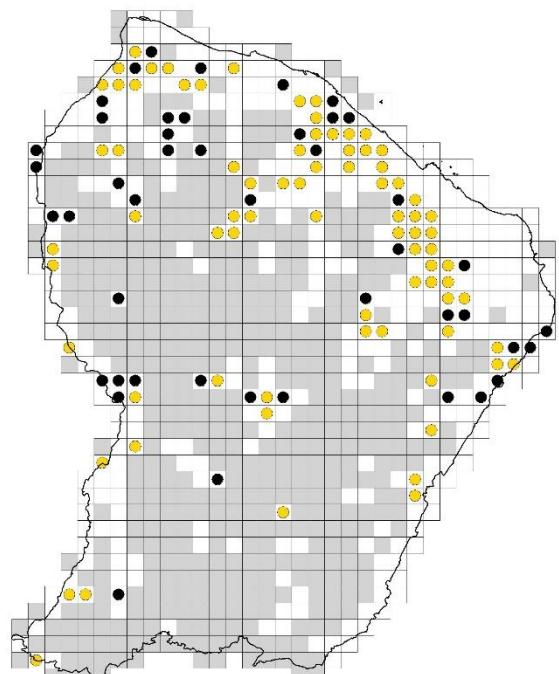

Manakin casse-noisette

Manacus manacus

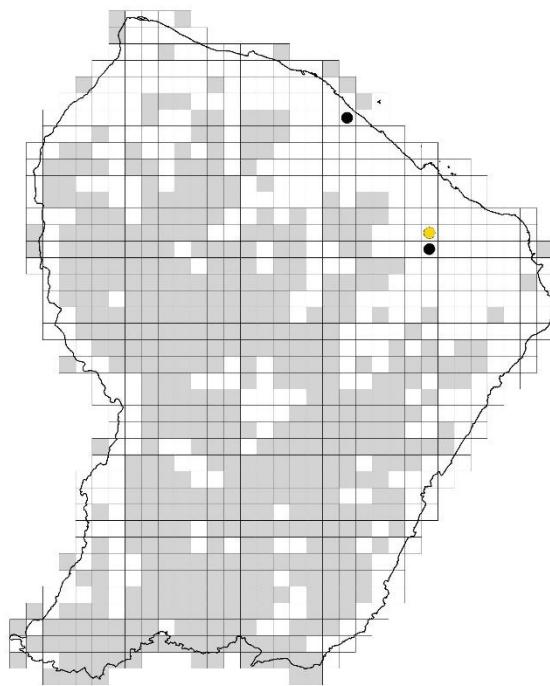

Manakin minuscule

Tyranneutes virescens

Manakin noir

Xenopipo atronitens

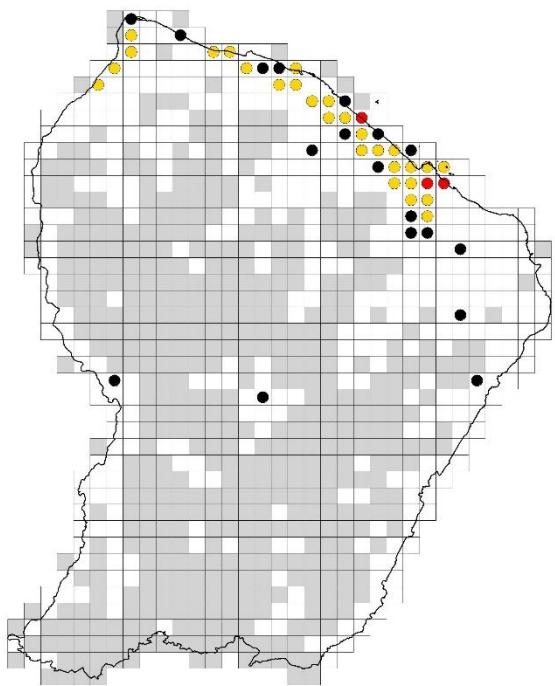

Maille(s) validée(s) (total=3, soit 0%)

- nidification certaine (0)
- nidification probable (1)
- pas d'information (2)

Manakin tijé

Chiroxiphia pareola

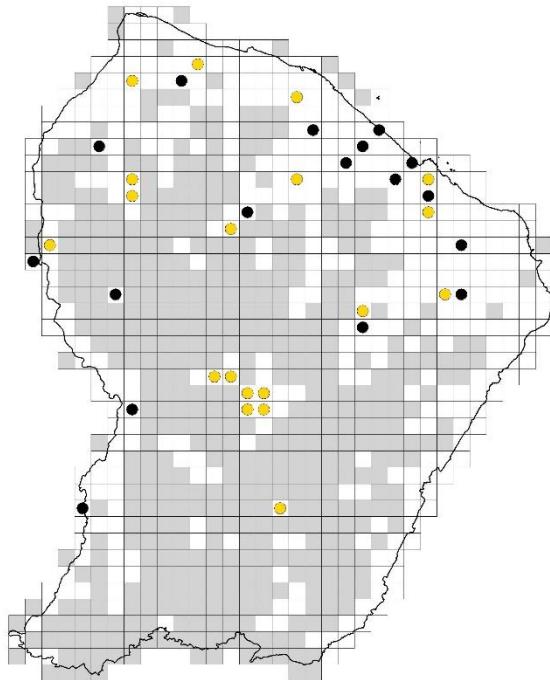

Maille(s) validée(s) (total=48, soit 5%)

- nidification certaine (3)
- nidification probable (27)
- pas d'information (18)

Araponga blanc

Procnias albida

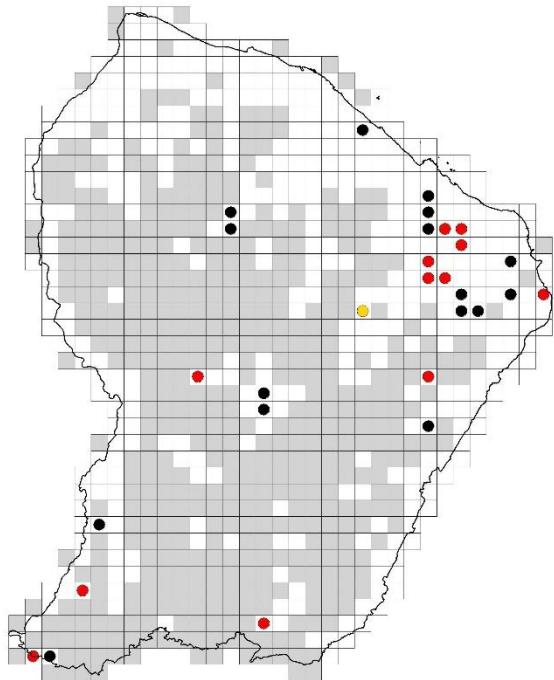

Maille(s) validée(s) (total=36, soit 4%)

- nidification certaine (0)
- nidification probable (19)
- pas d'information (17)

Coq-de-roche orange

Rupicola ruficola

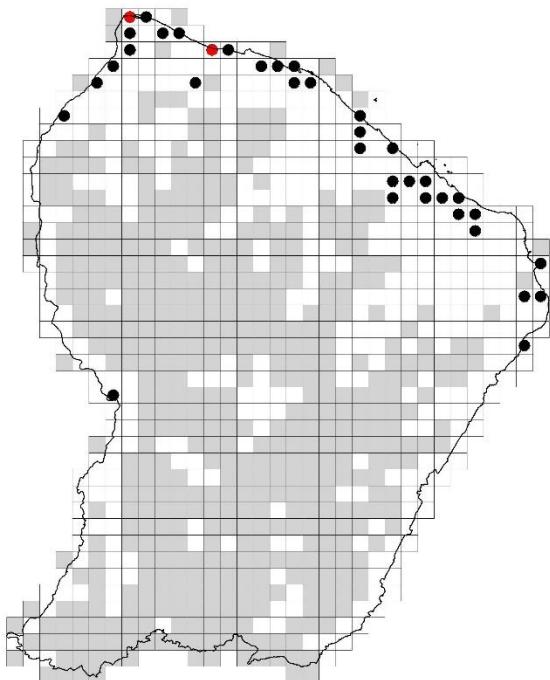

Maille(s) validée(s) (total=29, soit 3%)

- nidification certaine (12)
- nidification probable (1)
- pas d'information (16)

Coracine à col nu

Gymnoderus foetidus

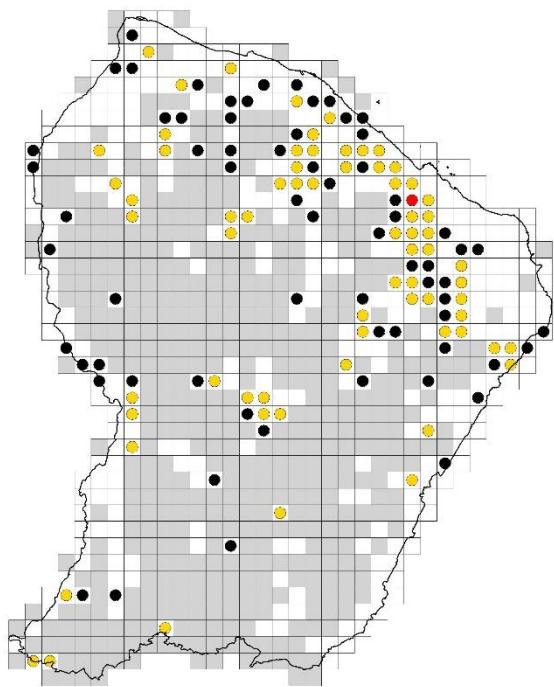

Maille(s) validée(s) (total=36, soit 4%)

- nidification certaine (2)
- nidification probable (0)
- pas d'information (34)

Coracine chauve

Perissocephalus tricolor

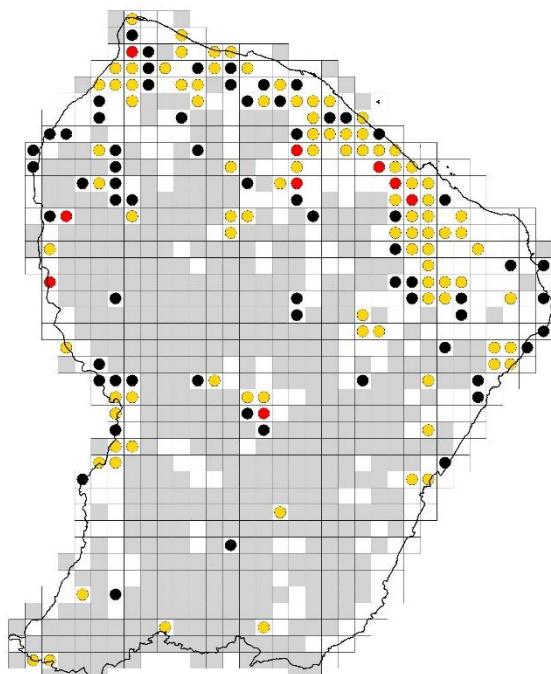

Maille(s) validée(s) (total=136, soit 15%)

- nidification certaine (1)
- nidification probable (68)
- pas d'information (67)

Coracine noire

Querula purpurata

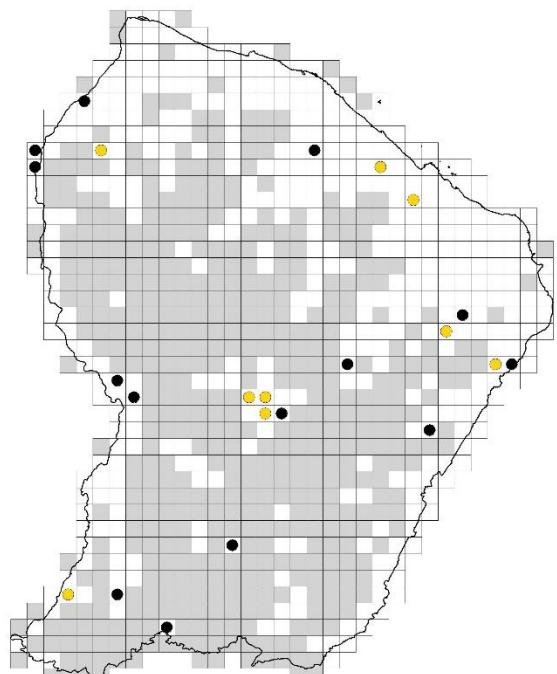

Maille(s) validée(s) (total=169, soit 18%)

- nidification certaine (9)
- nidification probable (95)
- pas d'information (65)

Coracine rouge

Haematoderus militaris

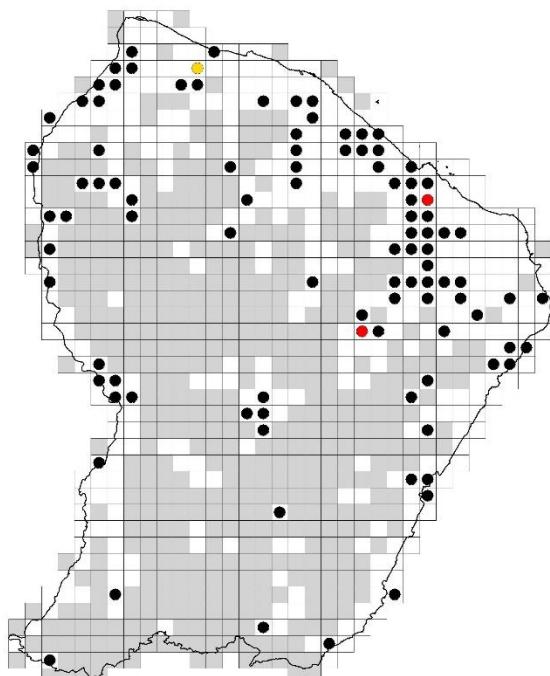

Maille(s) validée(s) (total=23, soit 2%)

- nidification certaine (0)
- nidification probable (9)
- pas d'information (14)

Cotinga de Cayenne

Cotinga cayana

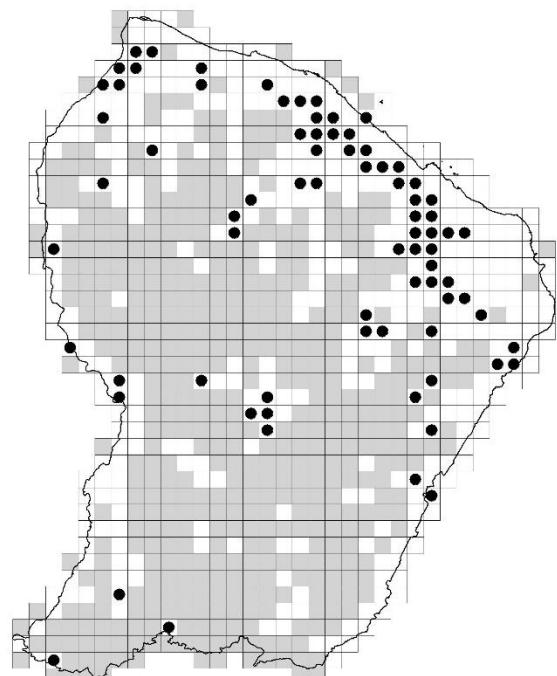

Maille(s) validée(s) (total=100, soit 11%)

- nidification certaine (2)
- nidification probable (1)
- pas d'information (97)

Cotinga de Daubenton

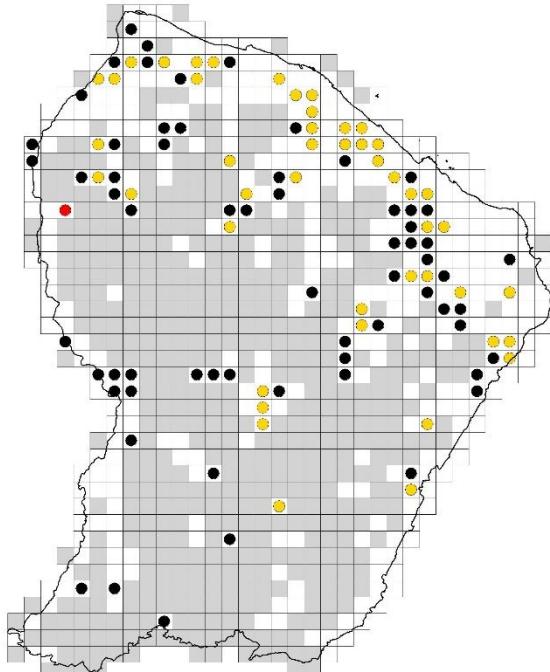

Cotinga cotinga

Maille(s) validée(s) (total=77, soit 8%)

- nidification certaine (0)
- nidification probable (0)
- pas d'information (77)

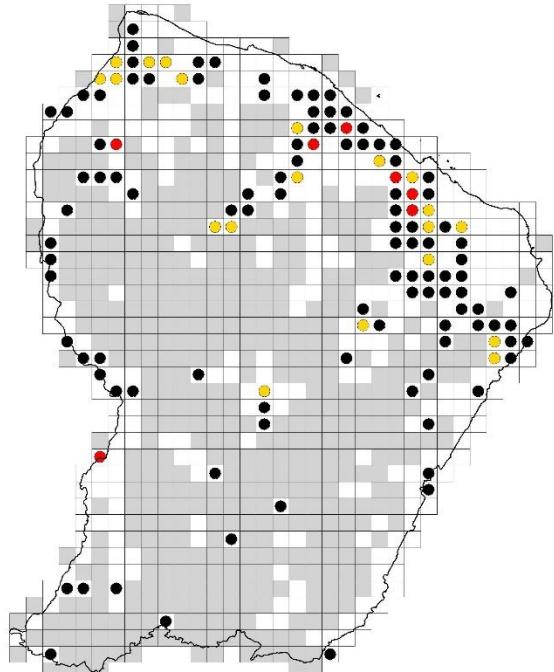

Cotinga ouette
Phoenicircus carnifex

Maille(s) validée(s) (total=111, soit 12%)

- nidification certaine (1)
- nidification probable (46)
- pas d'information (64)

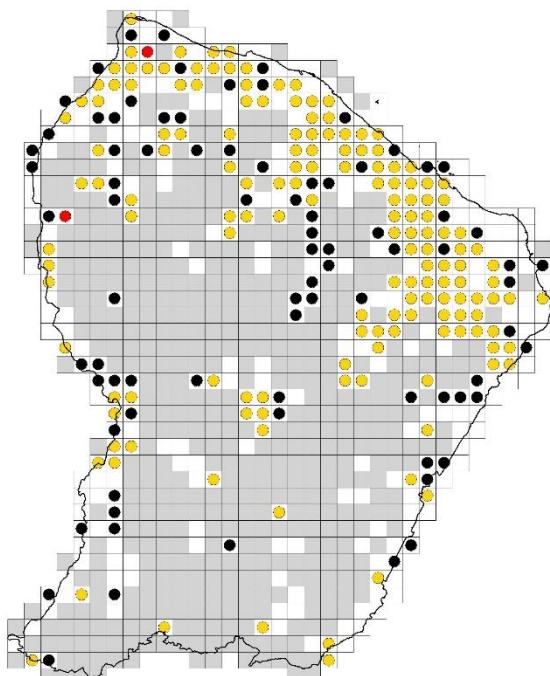

Cotinga pompadour
Xipholena punicea

Maille(s) validée(s) (total=130, soit 14%)

- nidification certaine (7)
- nidification probable (20)
- pas d'information (103)

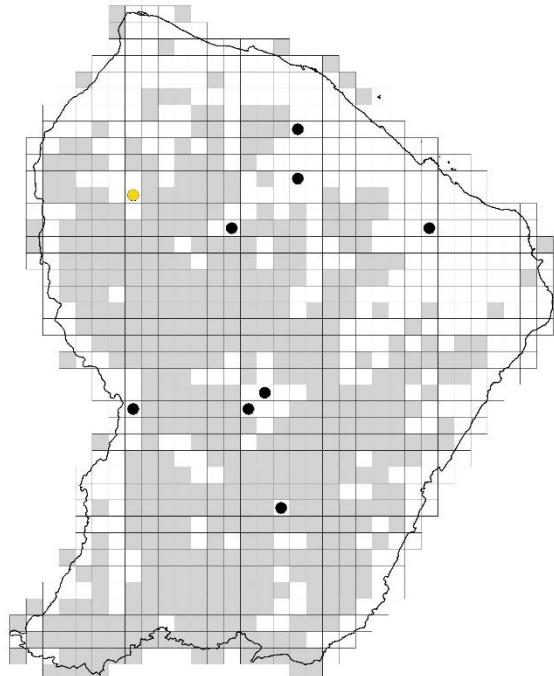

Piauhau hurleur
Lipaugs vociferans

Maille(s) validée(s) (total=240, soit 26%)

- nidification certaine (2)
- nidification probable (156)
- pas d'information (82)

Oxyrhynque huppé
Oxyruncus cristatus

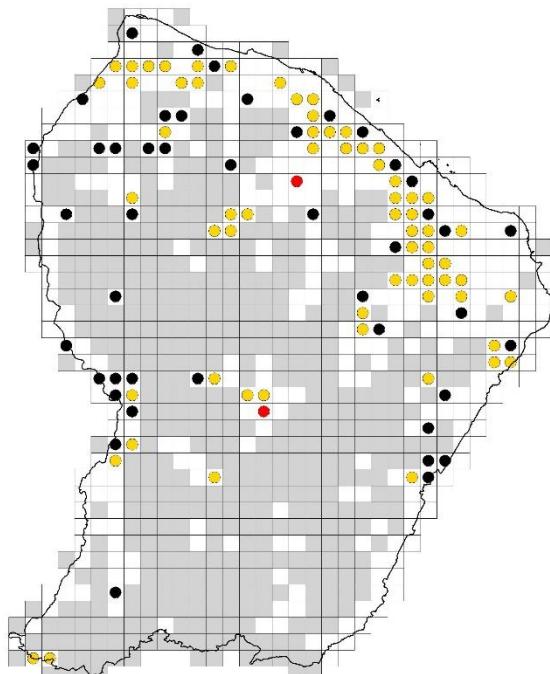

Maille(s) validée(s) (total=9, soit 1%)

- nidification certaine (0)
- nidification probable (1)
- pas d'information (8)

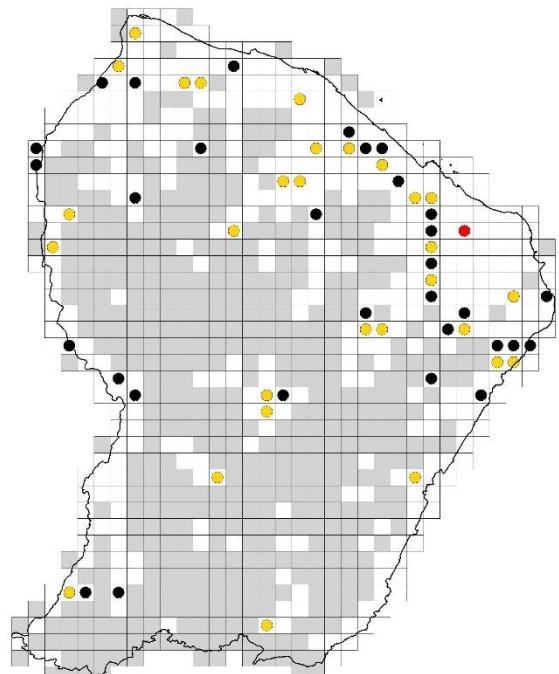

Antriade olivâtre

Schiffornis olivacea

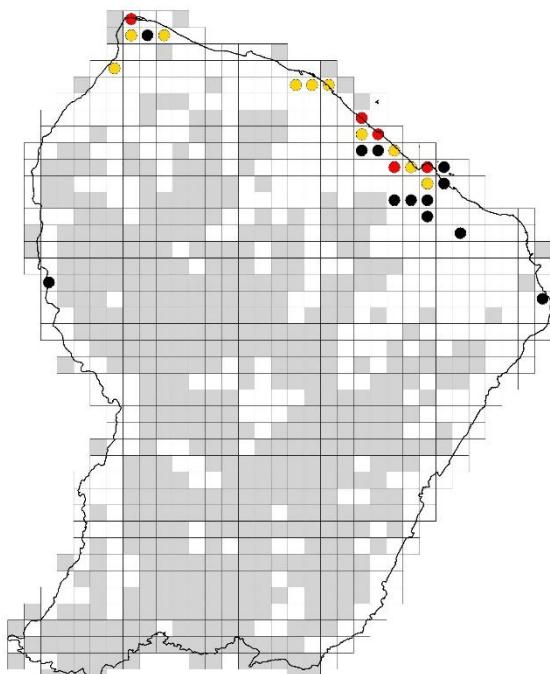

Aulia cendré

Laniocera hypopyrra

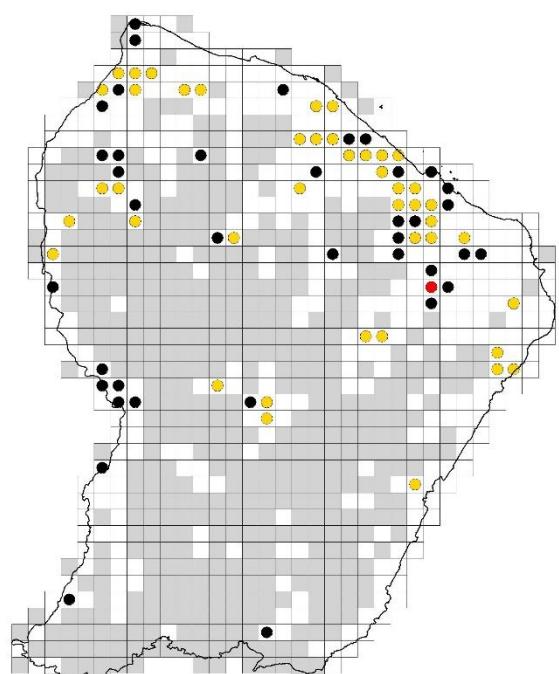

Bécarde à ailes blanches

Pachyramphus polychopterus

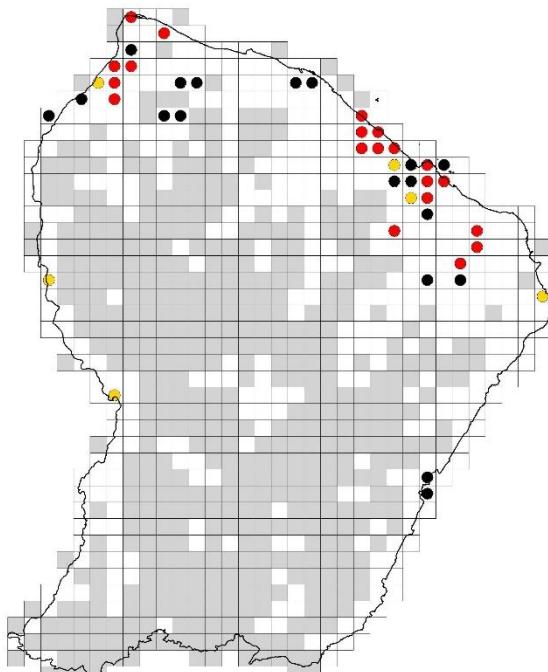

Bécarde à calotte noire

Pachyramphus marginatus

Bécarde cendrée

Pachyramphus rufus

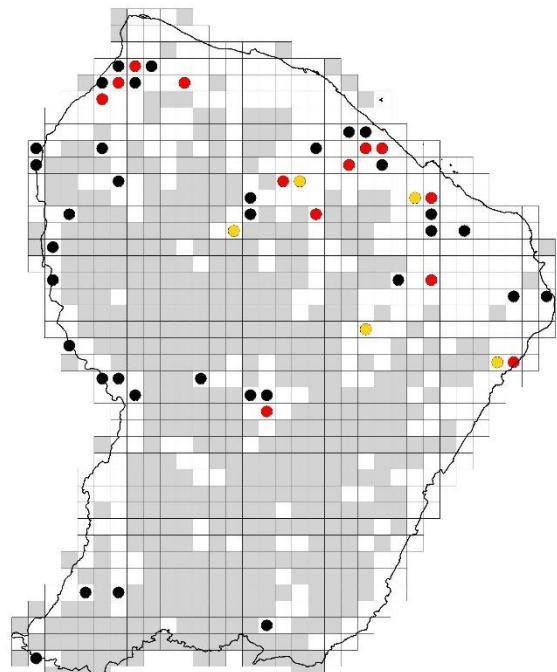

Maille(s) validée(s) (total=44, soit 5%)

- nidification certaine (20)
- nidification probable (6)
- pas d'information (18)

Bécarde de Lesson

Pachyramphus minor

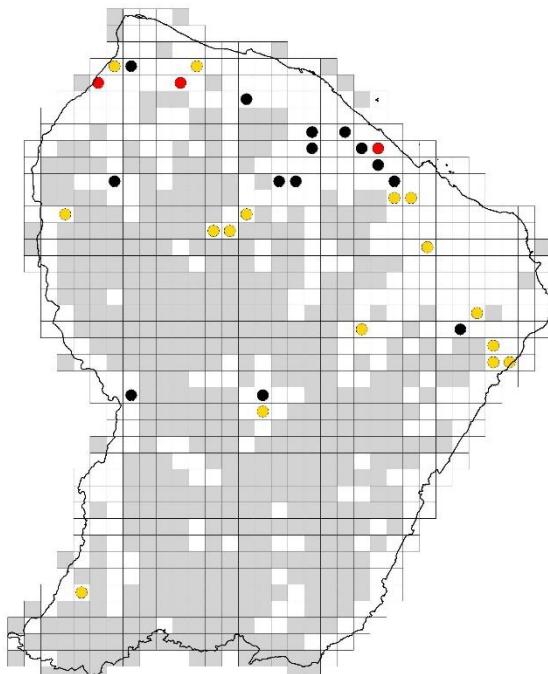

Maille(s) validée(s) (total=52, soit 6%)

- nidification certaine (13)
- nidification probable (5)
- pas d'information (34)

Bécarde du Suriname

Pachyramphus surinamus

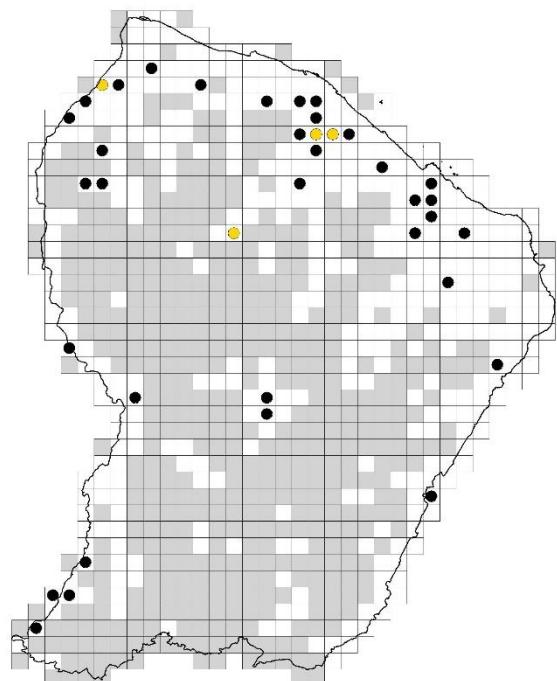

Maille(s) validée(s) (total=33, soit 4%)

- nidification certaine (3)
- nidification probable (16)
- pas d'information (14)

Cotingule brun

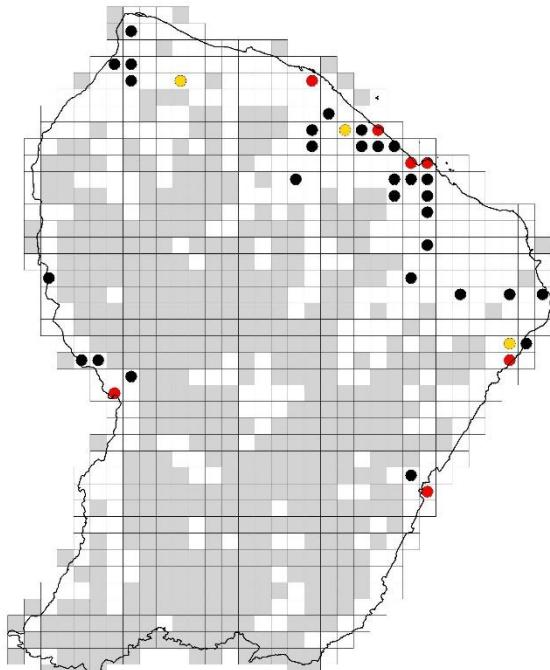

Iodopleura fusca

Maille(s) validée(s) (total=38, soit 4%)

- nidification certaine (0)
- nidification probable (4)
- pas d'information (34)

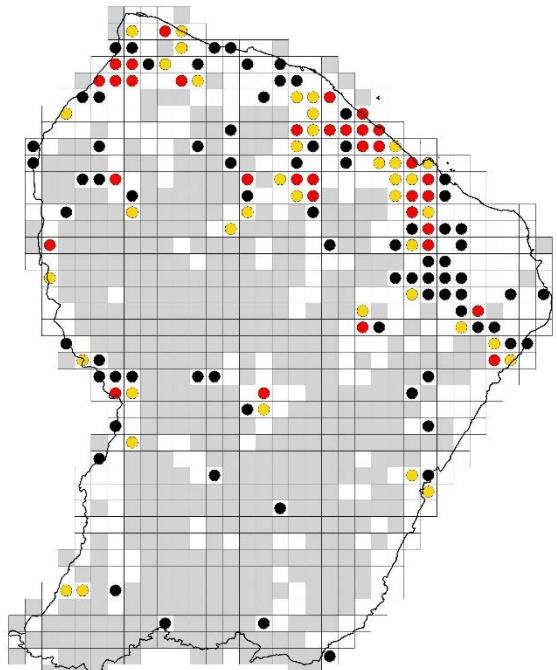

Tityre à tête noire *Tityra inquisitor*

Maille(s) validée(s) (total=39, soit 4%)

- nidification certaine (7)
 - nidification probable (3)
 - pas d'information (29)

Tityre gris

Maille(s) validée(s) (total=149, soit 16%)

- nidification certaine (34)
 - nidification probable (39)
 - pas d'information (76)
