

Tinamou cendré

Crypturellus cinereus

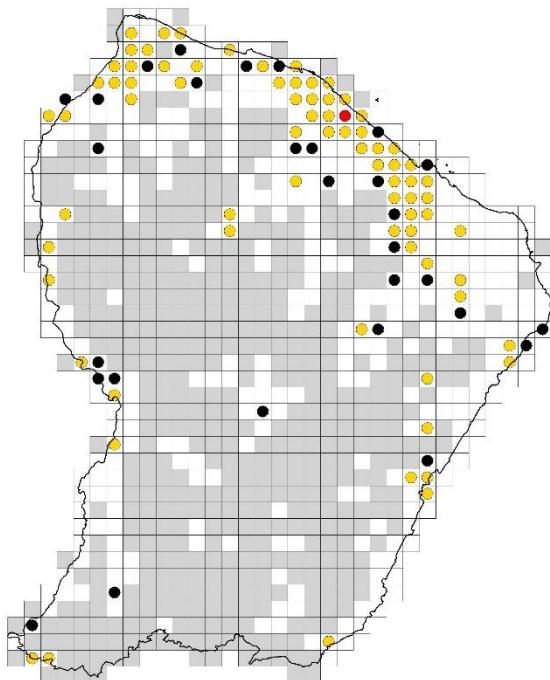

Tinamou rubigineux

Crypturellus brevirostris

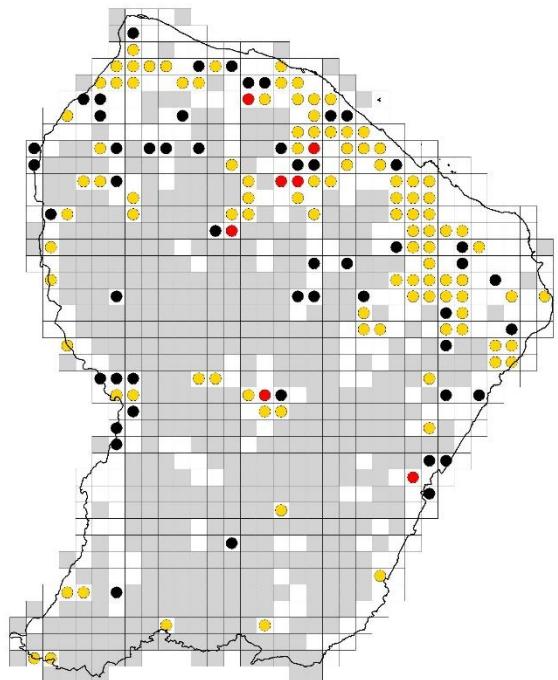

Tinamou soui

Crypturellus soui

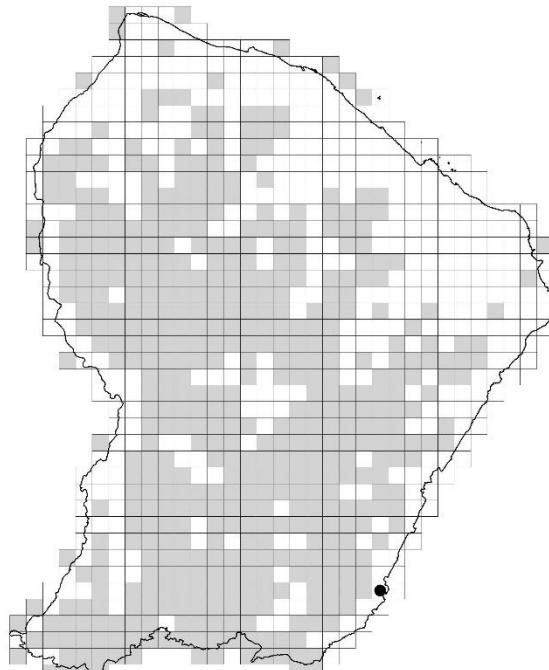

Tinamou varié

Crypturellus variegatus

Tinamou à pieds rouges

Crypturellus erythropus

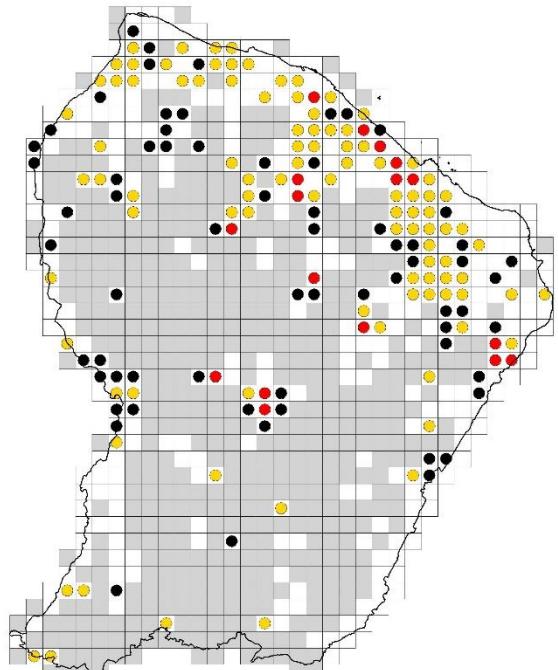

Maille(s) validée(s) (total=1, soit 0%)

- nidification certaine (0)
- nidification probable (0)
- pas d'information (1)

Grand Tinamou

Tinamus major

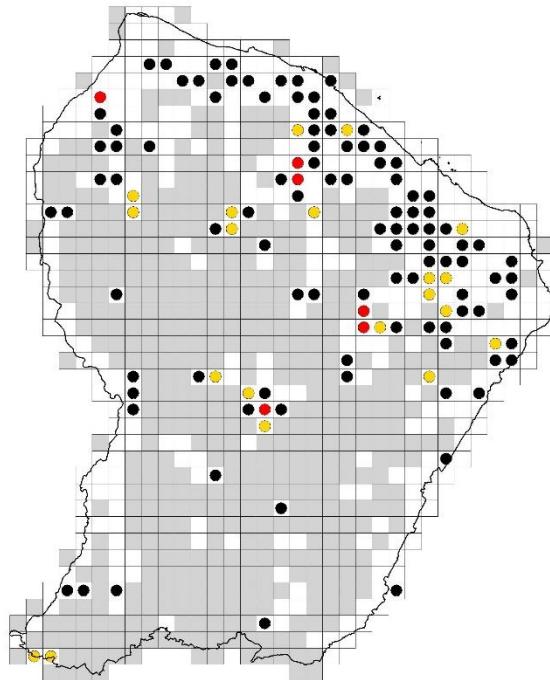

Maille(s) validée(s) (total=180, soit 19%)

- nidification certaine (17)
- nidification probable (97)
- pas d'information (66)

Hocco alector

Crax alector

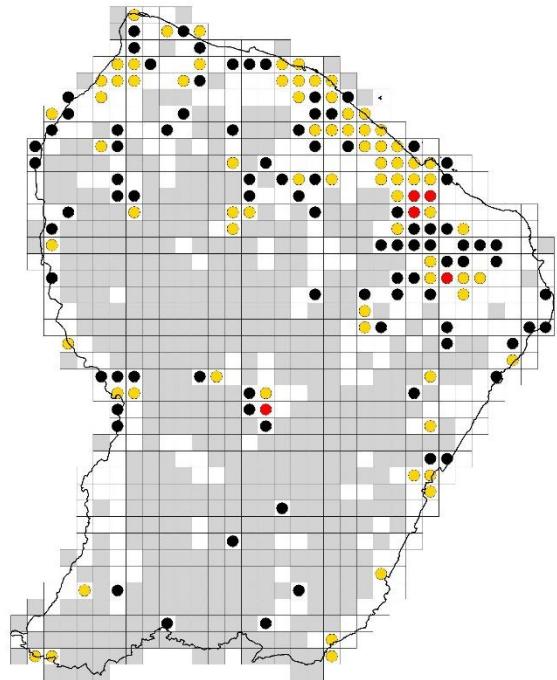

Maille(s) validée(s) (total=126, soit 13%)

- nidification certaine (6)
- nidification probable (20)
- pas d'information (100)

Ortalide motmot

Ortalis motmot

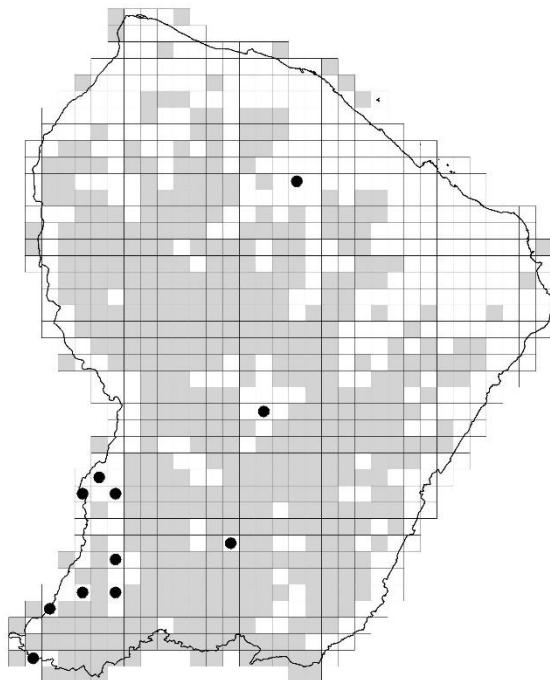

Maille(s) validée(s) (total=168, soit 18%)

- nidification certaine (5)
- nidification probable (75)
- pas d'information (88)

Pénélope à gorge bleue

Pipile cumanensis

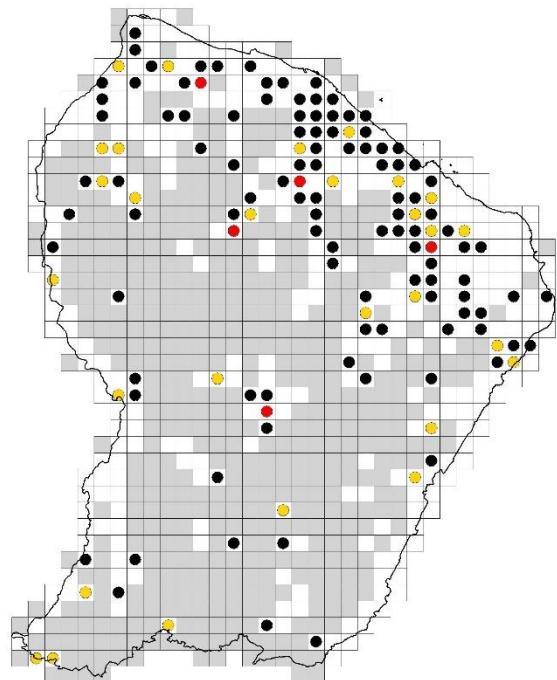

Maille(s) validée(s) (total=11, soit 1%)

- nidification certaine (0)
- nidification probable (0)
- pas d'information (11)

Pénélope marail

Penelope marail

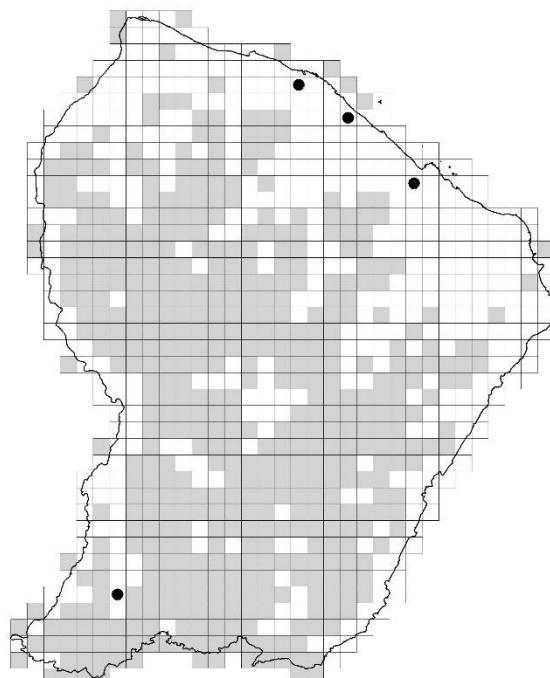

Maille(s) validée(s) (total=138, soit 15%)

- nidification certaine (5)
- nidification probable (29)
- pas d'information (104)

Colin huppé

Colinus cristatus

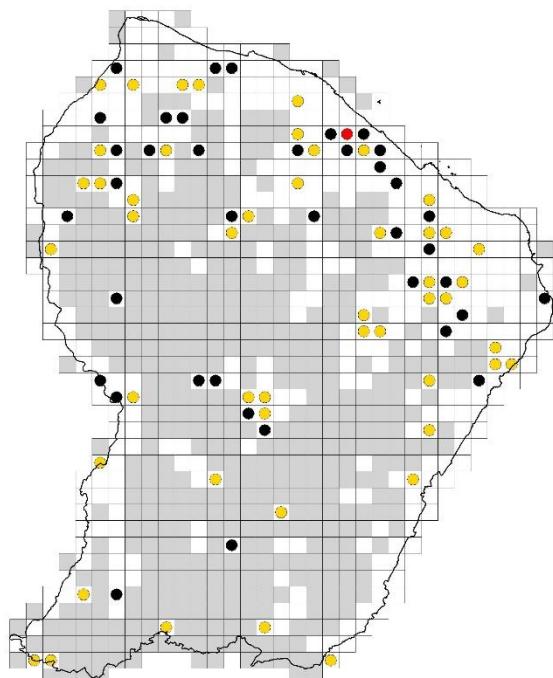

Maille(s) validée(s) (total=4, soit 0%)

- nidification certaine (0)
- nidification probable (0)
- pas d'information (4)

Tocro de Guyane

Odontophorus gujanensis

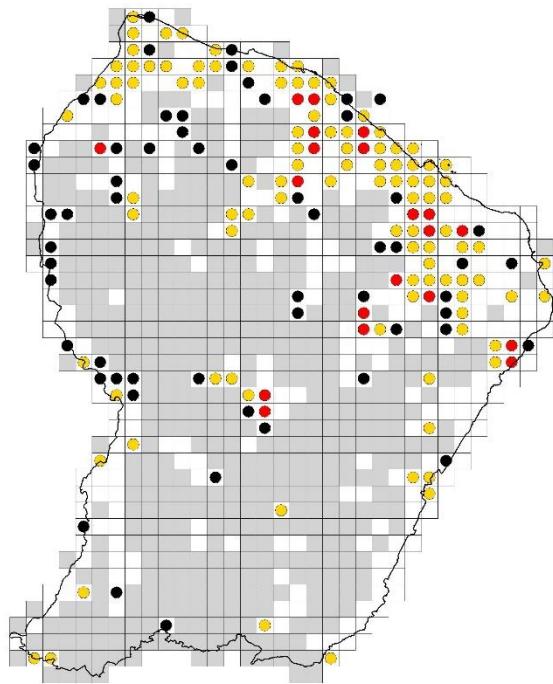

Maille(s) validée(s) (total=88, soit 9%)

- nidification certaine (1)
- nidification probable (49)
- pas d'information (38)

Colombe à front gris

Leptotila rufaxilla

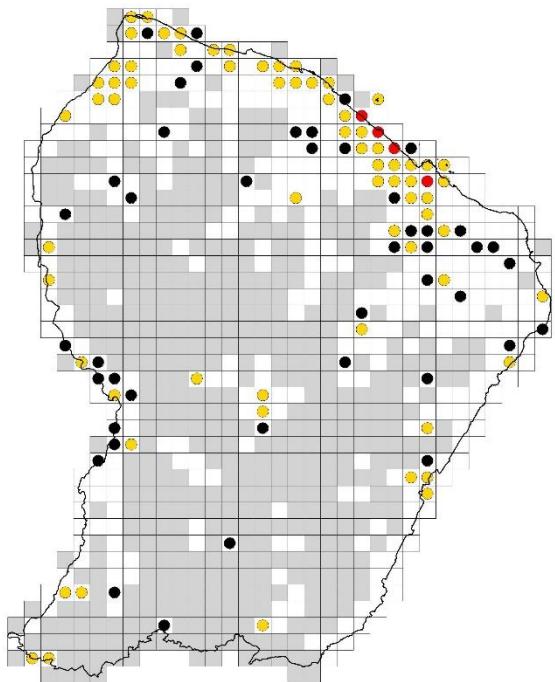

Maille(s) validée(s) (total=181, soit 19%)

- nidification certaine (20)
- nidification probable (103)
- pas d'information (58)

Colombe de Verreaux

Leptotila verreauxi

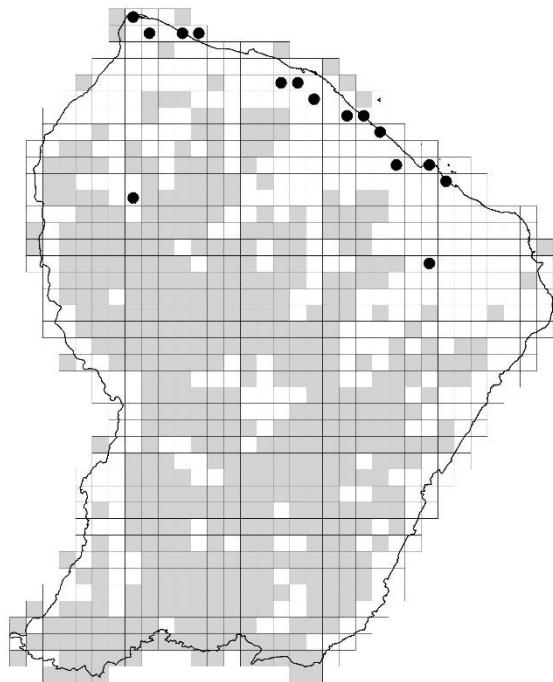

Maille(s) validée(s) (total=116, soit 12%)

- nidification certaine (4)
- nidification probable (68)
- pas d'information (44)

Tourterelle oreillarde

Zenaida auriculata

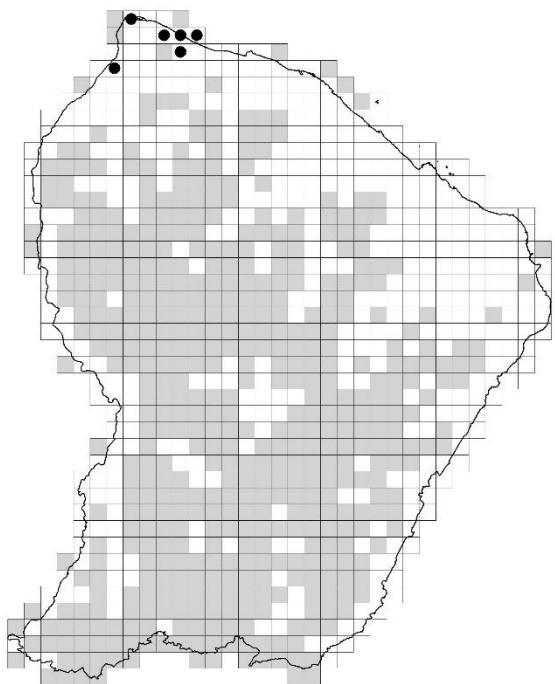

Maille(s) validée(s) (total=15, soit 2%)

- nidification certaine (0)
- nidification probable (0)
- pas d'information (15)

Claravis pretiosa

Colombe bleutée

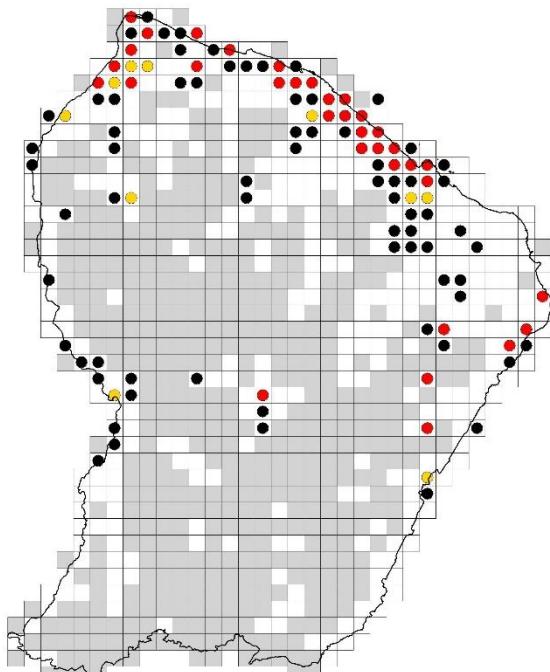

Maille(s) validée(s) (total=6, soit 1%)

- nidification certaine (0)
- nidification probable (0)
- pas d'information (6)

Colombe à queue noire

Columbina passerina

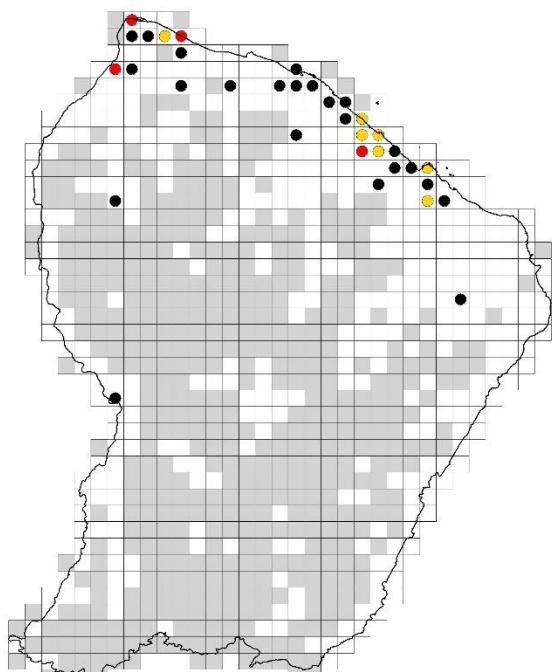

Maille(s) validée(s) (total=113, soit 12%)

- nidification certaine (34)
- nidification probable (10)
- pas d'information (69)

Colombe pygmée

Columbina minuta

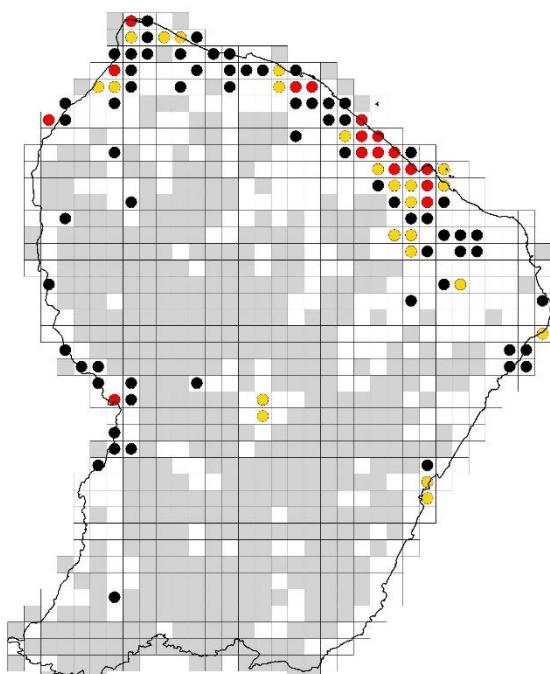

Maille(s) validée(s) (total=34, soit 4%)

- nidification certaine (4)
- nidification probable (7)
- pas d'information (23)

Colombe rousse

Columbina talpacoti

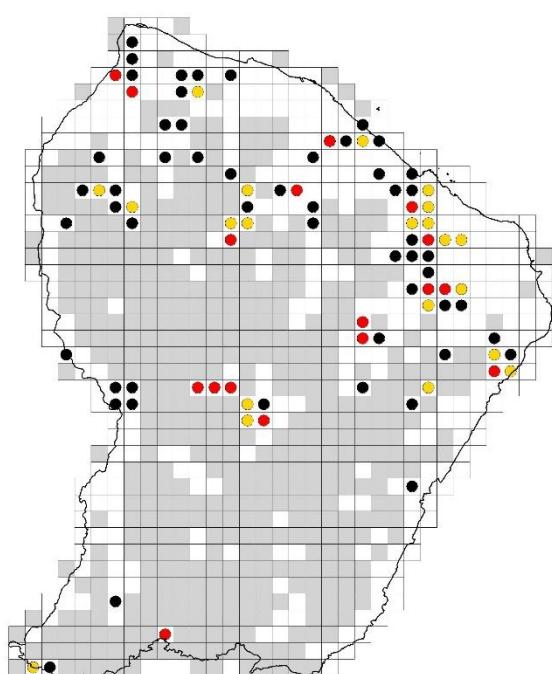

Maille(s) validée(s) (total=105, soit 11%)

- nidification certaine (17)
- nidification probable (23)
- pas d'information (65)

Colombe rouviolette

Geotrygon montana

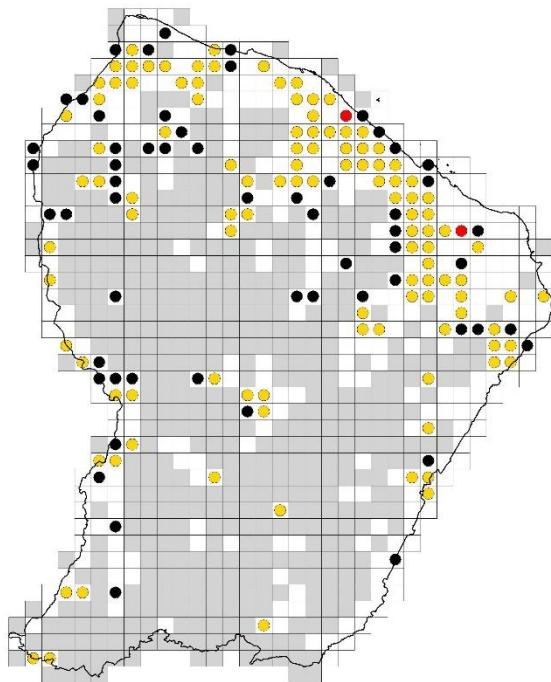

Maille(s) validée(s) (total=91, soit 10%)

- nidification certaine (17)
- nidification probable (21)
- pas d'information (53)

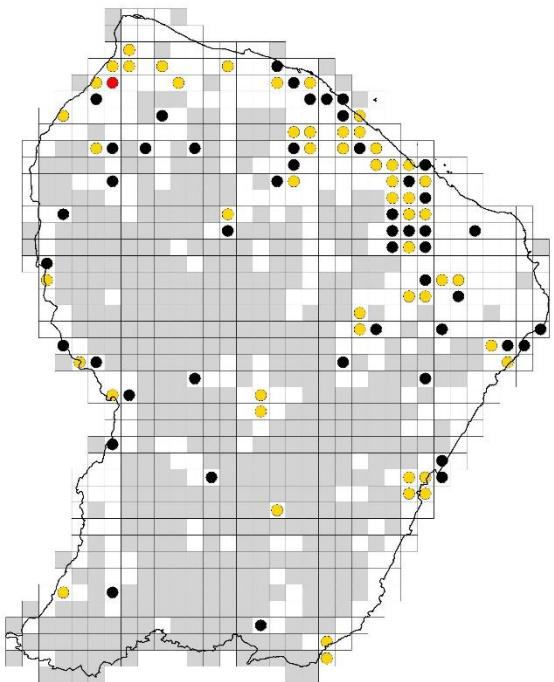

Pigeon plombé

Patagioenas plumbea

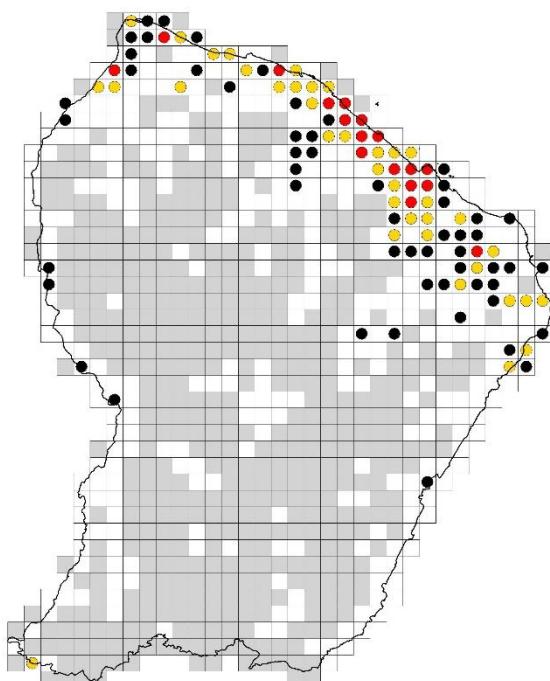

Pigeon ramiret

Patagioenas speciosa

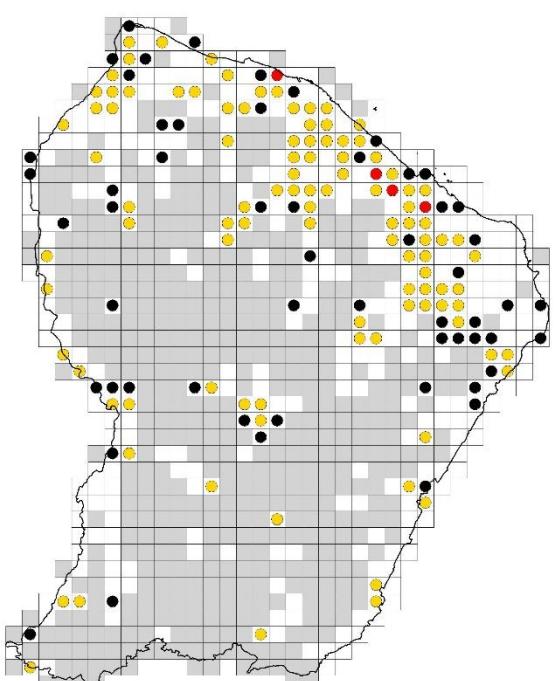

Pigeon rousset

Patagioenas cayennensis

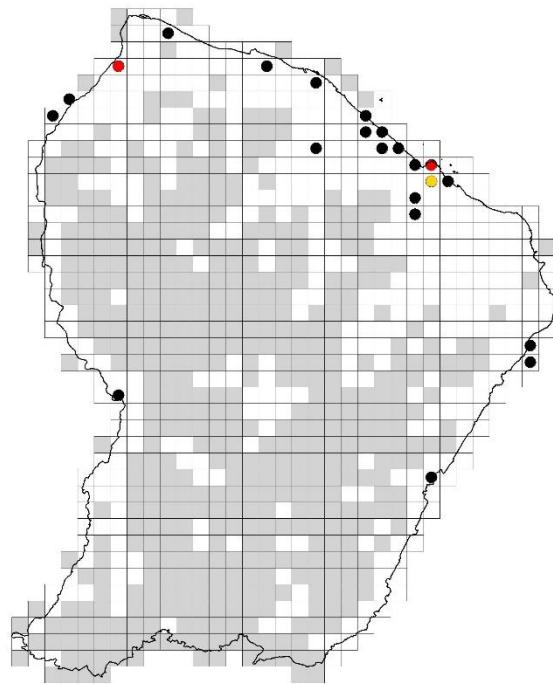

Pigeon vineux

Patagioenas subvinacea

Pigeon biset domestique

Columba livia f. domestica

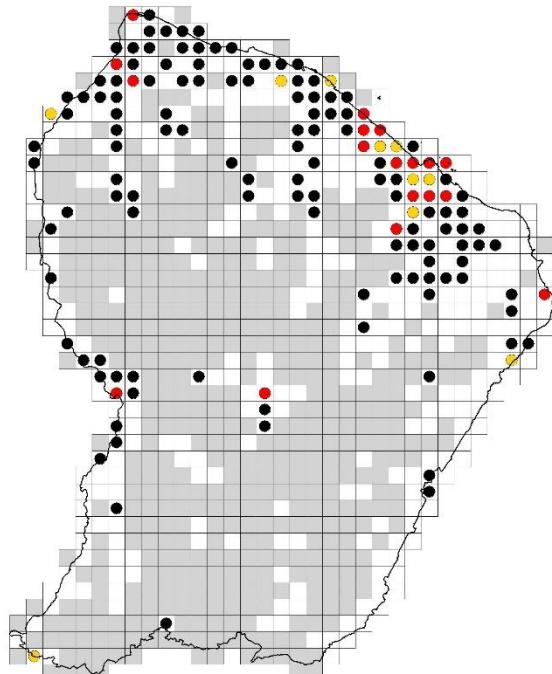

Maille(s) validée(s) (total=22, soit 2%)

- nidification certaine (2)
- nidification probable (1)
- pas d'information (19)

Ani à bec lisse

Crotophaga ani

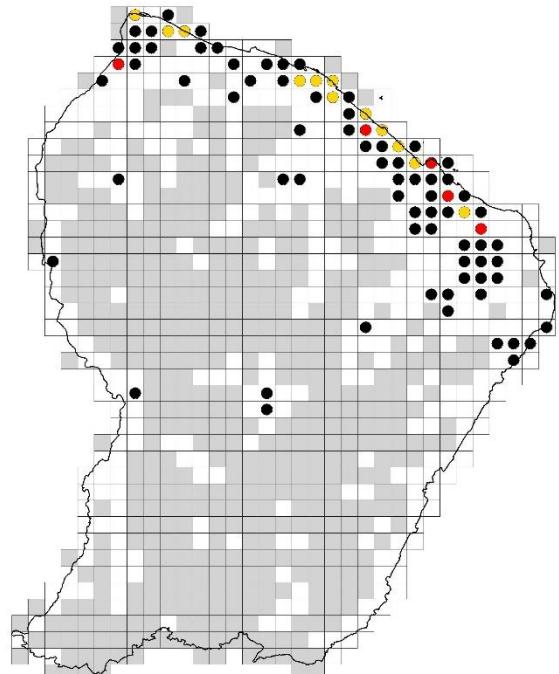

Maille(s) validée(s) (total=147, soit 16%)

- nidification certaine (18)
- nidification probable (10)
- pas d'information (119)

Ani des palétuviers

Crotophaga major

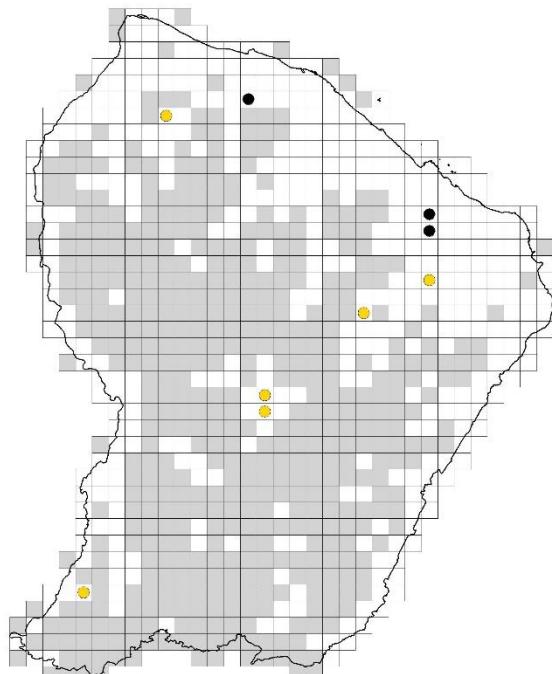

Maille(s) validée(s) (total=87, soit 9%)

- nidification certaine (5)
- nidification probable (12)
- pas d'information (70)

Géocoucou pavonin

Dromococcyx pavoninus

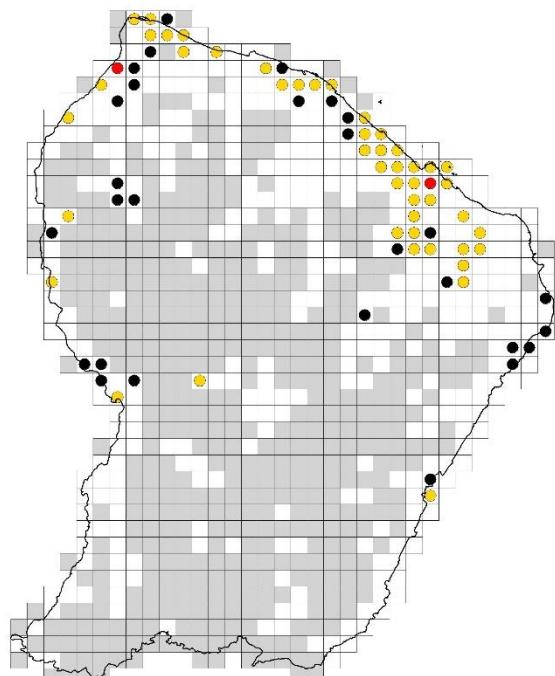

Maille(s) validée(s) (total=9, soit 1%)

- nidification certaine (0)
- nidification probable (6)
- pas d'information (3)

Géocoucou tacheté

Tapera naevia

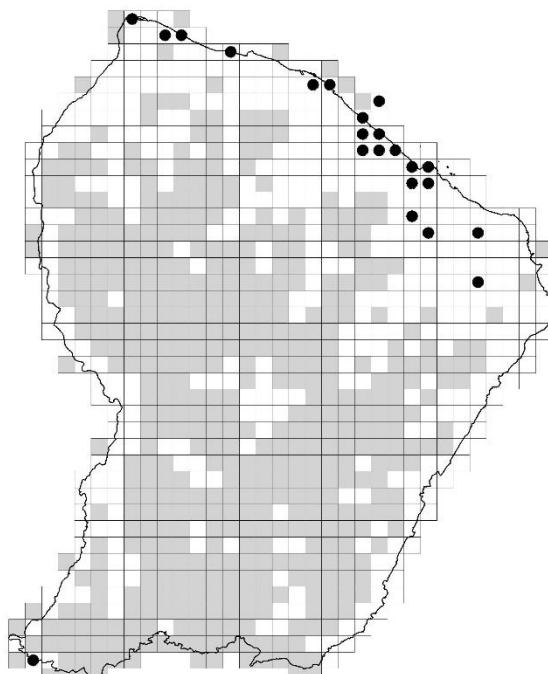

Maille(s) validée(s) (total=76, soit 8%)

- nidification certaine (2)
- nidification probable (46)
- pas d'information (28)

Coulicou à bec jaune

Coccyzus americanus

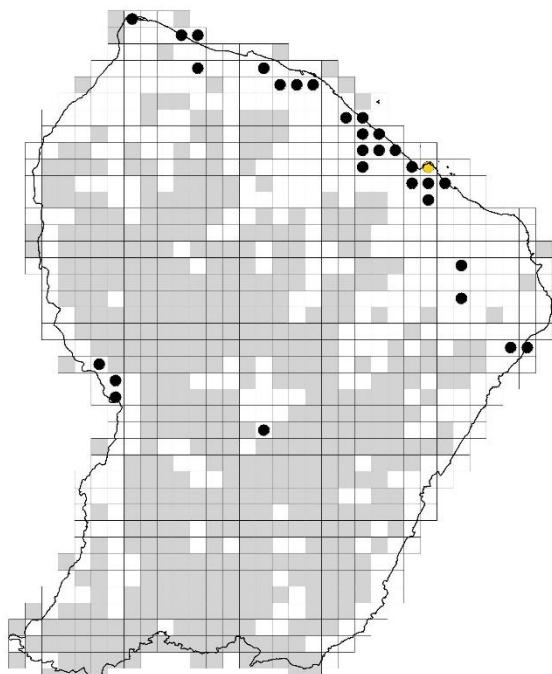

Maille(s) validée(s) (total=22, soit 2%)

- nidification certaine (0)
- nidification probable (0)
- pas d'information (22)

Coulicou de Vieillot

Coccyzus melacoryphus

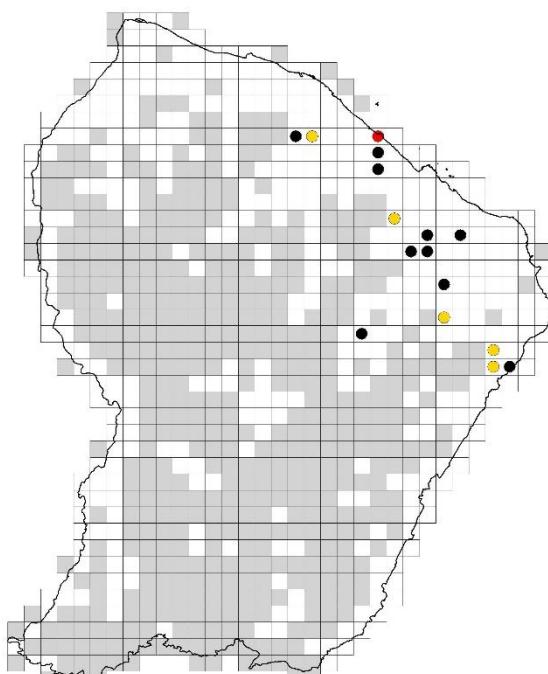

Maille(s) validée(s) (total=30, soit 3%)

- nidification certaine (0)
- nidification probable (1)
- pas d'information (29)

Coulicou d'Euler

Coccyzus euleri

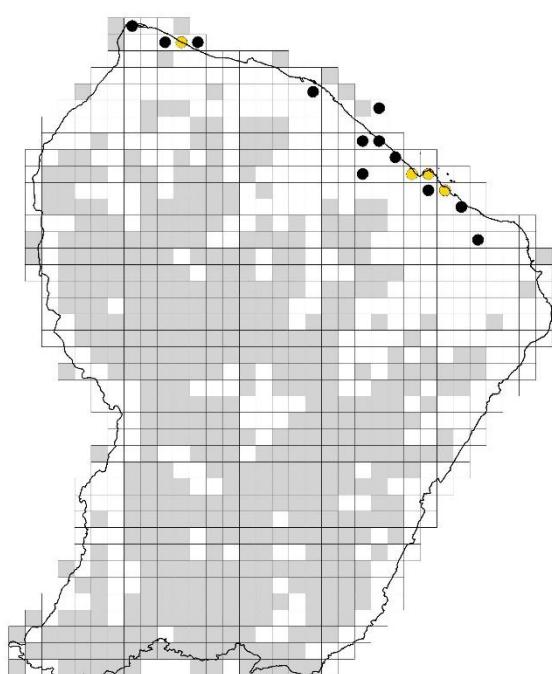

Maille(s) validée(s) (total=16, soit 2%)

- nidification certaine (1)
- nidification probable (5)
- pas d'information (10)

Coulicou manioc

Coccyzus minor

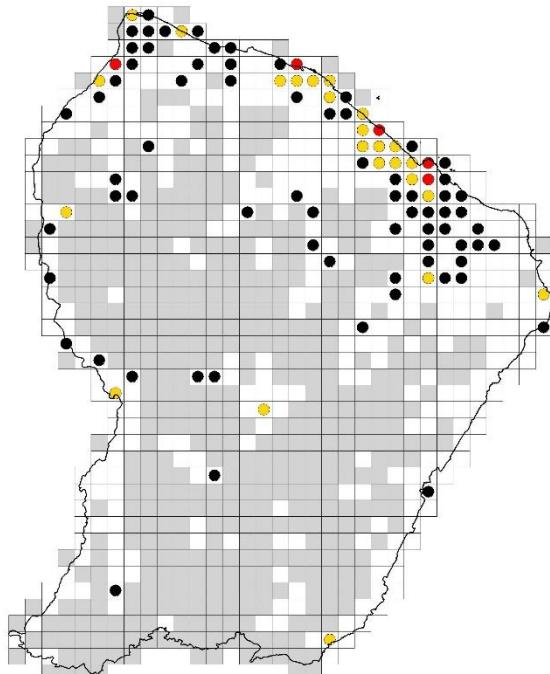

Maille(s) validée(s) (total=16, soit 2%)

- nidification certaine (0)
- nidification probable (4)
- pas d'information (12)

Petit Piaye

Coccycua minuta

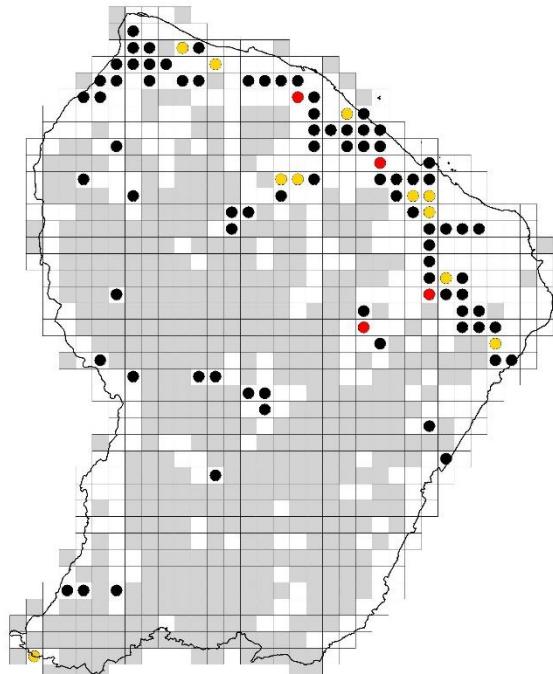

Maille(s) validée(s) (total=99, soit 11%)

- nidification certaine (5)
- nidification probable (24)
- pas d'information (70)

Piaye à ventre noir

Piaya melanogaster

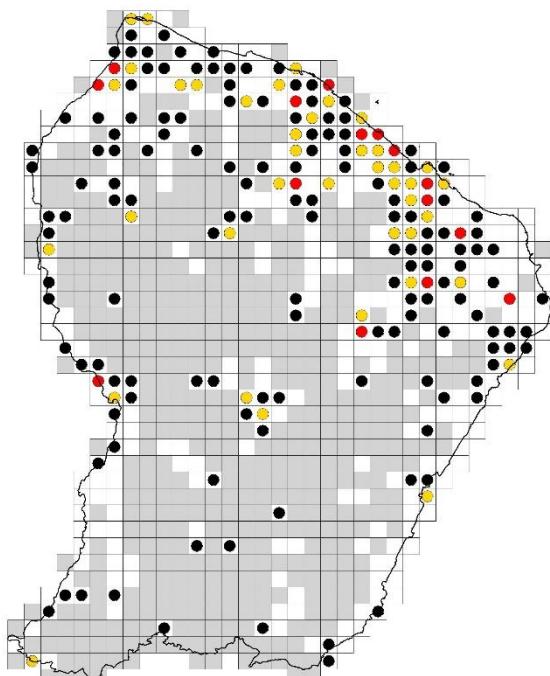

Maille(s) validée(s) (total=94, soit 10%)

- nidification certaine (4)
- nidification probable (11)
- pas d'information (79)

Piaye écureuil

Piaya cayana

Maille(s) validée(s) (total=197, soit 21%)

- nidification certaine (15)
- nidification probable (40)
- pas d'information (142)
